Vogue Coloring Book British VOGUE, Iain R. Webb

This coloring book from the British VOGUE has been created by award-winning writer, fashion editor, curator and Royal College of Art Professor, Iain R Webb.

The hand-drawn artworks are inspired by iconic images from British VOGUE in the 1950s - an era of hats and matching gloves, haughty elegance and hourglass silhouettes (a period that continues to inspire contemporary designers including Miuccia Prada and Dolce & Gabbana).

The book features a glamorous dream wardrobe of luxurious ballgowns and soigné cocktail dresses, smart suits and dramatic accessories by key designers including Christian Dior, Balenciaga, Givenchy and Chanel. The accompanying captions offer fashion and style tips (often highly amusing in hindsight) and are taken from the original pages of VOGUE. The c90 artworks can be coloured in in the spirit of the original images that inspired them or embellished with whatever colors and patterns take the reader's fancy. The coloring book is the perfect present for all those who love vintage fashion.
