But when a difference in views arises between Heidi and Danielle, their typical summer they had been expecting is turned upside down—almost literally, as they end up flitting to the other side of the globe to Australia, where their summer truly kicks off. With their two other friends, Lottie and Hannah, the four girls make a plan to follow two very different bucket lists, based on two very different sets of opinions, in order to be able to settle their argument once and for all. Along the way, however, their summer becomes much more eventful than they ever anticipated—secrets are revealed, love lives are tangled, and crimes are committed...and that's just the start. Because, when you're the daughters of extremely rich families, the sky is the limit when it comes to proving your points...
