This book is in our Biography Books For Kids series.  
It is a summary of key events in the life who many  
consider to be a hero, and role model, for all of us.  
It is our Albert Einstein Biography.

With this book you can read through the key events in the  
life of Albert Einstein. It provides information about his  
life... the events of his time... his accomplishments... etc.

***This Kindle biography will educate you about:***

***\* Important Events During The Life***

***\* Significant Dates***

***\* His Legacy***

***\* Includes Photos***

***\* Includes Quotes***

***\* Includes Links To Videos***

***\* And more***

What makes this book unique compared to the other Albert Einstein books,  
and Einstein biography, is that it provides all the important information.

However, it is not a 300 page college textbook, with excess information, that will require a large commitment just to read through it all.

And, when available, it also includes some quotes. These are the actual words from the Albert Einstein himself. This provides incredible insights in to the individual.

This book is great for children in grade school. If your child is old enough to read on a 5th grade level... then this book will benefit them.

And, please don't let the term "For Kids" lead you to overlook this book. Older individuals, and adults, alike can also begin to learn more information about this famous, and very unique, person.
