Melanie White

**You may be wondering – Could eating the right foods really make a difference in my fight with my never ending yeast infection?**

**Are you looking for some answers?**

**Do you have unexplained ailments that you can't seem to resolve?**

Those are questions Melanie White asked after her cancer treatment left her with something she later discovered to be Candida overgrowth. This book will give you the answers you've been looking for and more. It will also outline a proven Candida treatment plan to follow that will finally allow you to be yeast infection free!

## **About the Author**

Melanie White is first and foremost – a cancer survivor. She is not a doctor, a nutritionist or medical professional of any kind. She is however a reader and a researcher who has taken an active interest in health and nutrition since her Non-Hodgkin Lymphoma diagnosis several years ago. Many of the references she came across were very good but she found them to be quite long and detailed. You may not have the time, energy or the inclination to read dozens of books on nutrition and Candida overgrowth. This eBook is a compilation of the best material she found and is intentionally short for that very reason.

**This book contains proven steps and strategies on how to use certain foods in your battle against yeast infections.**

**In Candida Diet for Beginner's Guide : Secrets on how to cure your yeast infection, restore friendly bacteria and cleanse your gut fast**

## **with the Candida Diet,, you will finally learn all about the fungus known as Candida albicans:**

- Did you know that upwards of 70% of the population is afflicted with Candida?
- Surprising symptoms include fatigue, irritability, headaches, itchy rashes and more.
- Men can have Candida overgrowth as well as women? That's right!
- Find out about a home test to determine if you have Candida
- The 4 step process to eliminate Candida once and for all!
- Find out the common foods to avoid that actually feed Candida and prolong your misery
- 24 + easy to make, delicious recipes to help you eliminate your yeast infection, restore friendly bacteria and cleanse your gut

See what others are saying

It's amazing to me that the things that are supposed to help us can also hurt us. Antibiotics have been over used and over prescribed. I know many people who have suffered with Candida without even knowing it until they feel lousy. They have no idea what caused it. This book contains a lot of information and things we can do to help ourselves. The more I read books like this one, the more faith I have in holistic medicine and treating things naturally..... I will recommend this book to my friends who are on antibiotics regularly.  
Jodi Takhar

This Candida Diet guide simplifies this nasty infection in an attempt to deliver practical useful information instead of overloading you with technical jargon. I like the fact the author is up front with this. So if you are already familiar with the basics this book may be too basic for you.

.....This is the first health and wellness guide I've reviewed by this author and with almost 2000 reviews under my belt I will say if you are looking to start taking control of your health and learn the basics of the Candida yeast infection with better eating tips for prevention, this is the guide to start with!

Looking forward to reading more!
