Heather Luth knows nothing about the paranormal world until one awful night changes everything. Now she's on the run — straight into the arms of forbidden love. Her mind knows better than to fall for a werewolf's sunny smile and mesmerizing voice, but her heart — and destiny — have other ideas.

On the surface, Cody Hawthorne is warm, witty, and fun, but beneath his carefree facade, Heather sees a real man struggling to break free. Day by day, Heather and Cody grow closer and closer, unable to resist their simmering passion — while day by day, a serial murderer closes in on his prey. Duty fights desire; fear wrestles trust as the human world clashes with the paranormal in a tale of forbidden love.

There's more than meets the eye on Twin Moon Ranch, home to a pack of shapeshifting wolves willing to battle for life and love.

\* A paranormal romance with adult content. The perfect read for fans of strong heroines, alpha heroes, werewolves and shapeshifters, vampires, red-hot cowboys, romantic westerns, paranormal suspense, action-adventure romance, and fantasy romance! \*
