Kissing Kilimanjaro: Leaving It All on Top of Africa Daniel Dorr

A humorous and inspirational account of how far one man will go to impress a woman and conquer Africa's highest mountain.

Mountain Kilimanjaro is sometimes called Everyman's Everest because it is possible for a novice climber to reach the summit. And every year, more than 30,000 adventure tourists try. But for each person who goes to the mountain, there are thousands more who chat about it at cocktail parties, making plans to go...someday. That's how Daniel Dorr got started: flirting with a beautiful brunette over hot cocoa and spouting impressive plans. Six months later, was lying on the cold gravel at 18,000 feet, panting and hacking in the darkness.
