Book Description

Led Zeppelin fell in love with the presence of the secluded mountain getaway during their first Montreux concert in 1970 and would unknowingly help launch a musical industry in the most unlikely of places. The new limited edition book, *Led Zeppelin: The Montreux Concerts* captures the magic created by John Bonham, John Paul Jones, Jimmy Page and Robert Plant in an extraordinary setting.

The group's appearances there helped establish Montreux, Switzerland as a special and exotic musical destination. Like Haight-Ashbury in San Francisco, the misty mountains of Montreux soon formed a hippie commune of its own, drawing people from all over Europe. *Led Zeppelin: The Montreux Concerts* explores the band's impact, and the people who were drawn by the town's timeless beauty and musical vibes.

One of the only books ever endorsed by Jimmy Page. A portion of all proceeds are donated to the ABC Trust and Casa Jimmy charities.
