Jack Rome, working at the Swiss Embassy in Tehran, is approached by a young woman with a very unusual story, a story that reaches back through the ages. The woman also looks frustratingly familiar, and as Jack realizes just who she is, he finds himself thrown into a world of spies, hunters, lost history...and a search for something beyond his wildest imagination.

Now the race is on to find the true Garden of Eden—as one ruthless Russian billionaire, dying of a rare disease, will stop at nothing to find the Tree of Life and its alleged healing oils.
