**Tracon** Paul McElroy

Winner of the 2001 Ippy Award

Bronze medal for the 2001 Book of the Year Award

2001 Benjamin Franklin Award finalist

“The air traffic control world is off-limits to most of you and, consequently, often misunderstood. This book accomplishes what many media accounts, newspaper articles, magazine treatments, and movies have tried and failed to do: get into the minds of the men and women who are responsible for more lives in an hour than most surgeons are in a lifetime. TRACON is a fictionalized account so accurate and chilling in its realism that it strikes people in the aviation business as a narrative summary of actual events.”

— JOHN S. CARR, PRESIDENT OF THE NATIONAL AIR TRAFFIC CONTROLLERS ASSOCIATION

Thousands of lives hover in the skies above Chicago. An average day in the TRACON for air traffic controller Ryan Kelly. Cool and confident, he juggles airliners like a casino dealer shuffles cards from the dark vantage of the radar room at O’Hare Airport.

There’s just one problem. A billion-dollar one. Kelly fears the airlines’ coveted collision avoidance system will cause the very midair it’s supposed to prevent. When peculiar readouts flash across his scope, two jets tangle over Lake Michigan and several hundred people die, propelling Kelly into the political and public crosshairs. Evidence vanishes. Hidden forces sabotage his reputation. His tightly coiled world spins out of control. There’s only one way to clear his name and expose the renegade computer . . . but at great peril to the one he loves.

### **From reader reviews:**

#### **Vickie Reed:**

Nowadays reading books are more than want or need but also work as a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want experience happy read one along with theme for entertaining for example comic or novel. The actual Tracon is kind of e-book which is giving the reader unstable experience.

#### **Denita Lumley:**

Tracon can be one of your starter books that are good idea. We all recommend that straight away because this reserve has good vocabulary that may increase your knowledge in vocabulary, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort that will put every word into pleasure arrangement in writing Tracon however doesn't forget the main position, giving the reader the hottest in addition to based confirm resource facts that maybe you can be among it. This great information can easily drawn you into brand new stage of crucial considering.

#### **Edward Cooley:**

Are you kind of stressful person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your small amount of time to read it because this all time you only find e-book that need more time to be study. Tracon can be your answer since it can be read by you who have those short free time problems.

#### **Vickie Kay:**

That e-book can make you to feel relax. This kind of book Tracon was vibrant and of course has pictures around. As we know that book Tracon has many kinds or type. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading in which.
