Watching You Sleep Kate N. Ryan

Comic book store-owner Abigail “Abby” Kirkman believes her life complete. She runs a successful business, has a fantastic studio apartment above her store, and lives in a picturesque sea-side town. Life is perfect unless you count the insomnia, and the fact that her last boyfriend dumped her to take a promotion in another city. So a few little bumps, but nothing she can’t handle. Abby’s life turns upside down when she discovers Jasper Lee, a steampunk author, asleep in the superhero aisle. Suffering from the rare disorder narcolepsy, Jasper falls asleep unexpectedly and large surges of emotion can trigger a cataplectic attack — causing the loss of muscle tone and collapse. Can she risk loving someone who might collapse from a kiss?
